EXHIBIT A

Attached to and made a part of Deed of Trust, Mortgage, Assignment of Production, Security Agreement, and Financing Statement ("Mortgage") executed by BREITBURN OPERATING LP, a Delaware limited partnership (the "Company"), QRE OPERATING, LLC ("QRE") and TRANSPETCO PIPELINE COMPANY, L.P., a Delaware limited partnership ("Transpetco" and together with the Company and QRE herein called "Mortgagor") to (a) Leland Hansen, as trustee ("Trustee") for the benefit of U.S. Bank National Association, as Collateral Agent under and as defined in the Indenture; or (b) to U.S. Bank National Association, as Collateral Agent under and as defined in the Indenture ("Mortgagee").

DEFINITIONS:

1. The terms used in *Exhibit A* have the same meaning as defined in the Mortgage.
2. The term "Working interest" as used herein means (a) when applied to individual leases, the undivided interest owned by Mortgagor in the leasehold estate, out of which are paid Mortgagor's share of (i) all costs of drilling, completing, equipping and operating a well or wells, and (ii) all royalties, overriding royalties, production payments and other interests in or measured by production, and (b) when applied to leases or force pooled interests described as unitized or pooled, the undivided interest owned by Mortgagor and out of which is paid all costs of drilling, completing, equipping and operating a well or wells producing oil and gas, or either of them, from the portions of the leases or force pooled interests so unitized or pooled. The term "net revenue interest" as used herein means that portion of oil and gas (or oil only, or gas only, where so limited) produced from the respective properties herein described to which Mortgagor is entitled after deduction of all royalties, overriding royalties, production payments and other interests in or measured by production which are borne by Mortgagor.
3. The term "Permitted Encumbrances" shall mean (i) minor irregularities in title which do not (a) materially interfere with the occupation, use and enjoyment by Mortgagor of any of its Mortgaged Properties in the normal course of business as presently conducted, or (b) materially impair the value thereof for such business, (ii) all interests in the Mortgaged Properties securing obligations owed to, or claimed by, any Person other than Mortgagee, on behalf of the Secured Parties, whether such interest is based on the common law, statute or contract, and whether such interest includes liens or security interests arising by virtue of mortgage, encumbrance, pledge, security agreement, conditional sale or trust receipt or lease, consignment or bailment for security purposes, so long as each-said interest has been previously disclosed to Mortgagee in writing and is permitted under the Indenture, (iii) liens for property and ad valorem taxes not yet due and payable and liens of landlords, vendors, carriers, warehousemen, mechanics, laborers and materialmen arising by law; of operators arising by contract; in each case, in the ordinary course of business for sums not yet due or being contested in good faith by appropriate action promptly initiated and diligently conducted, if such reserve as shall be required by generally accepted accounting principles shall have been made therefor; (iv) Liens permitted under the Indenture; and (v) the specific exceptions and encumbrances affecting each of the Mortgaged Properties as described in this Exhibit INSO FAR ONLY as said exceptions and encumbrances are valid and subsisting and are enforceable against the particular Lease which is made subject to said exceptions and encumbrances are valid and subsisting and are enforceable against the particular Lease which is made subject to said exception and encumbrance.
4. With respect to the descriptions of each of the Mortgaged Properties, if the description requires, such description may continue on several successive pages of each Part of *Exhibit A*. Certain

property descriptions are in abbreviated form as to Sections, Townships and Ranges. In such descriptions the following terms may be abbreviated as follows:

Northwest Quarter-NW, NW/4 or NW1/4;

Southwest Quarter-SW, SW/4 or SW1/4;

Southeast Quarter-SE, SE/4 or SE1/4;

Northwest Quarter-NE, NE/4 or NE1/4;

North Half-N/2 or N1/2;

South Half-S/2 or S1/2;

East Half-E/2 or E1/2; and

West Half-W/2 or W1/2.

The applicable Section, Township and Range may be identified by a series of three numbers, each separated by a dash, with the first number being the Section number, the second number being the Township number and the third number being the Range number. The Township and Range numbers are followed by an N, S, E or W to indicate whether the Township or Range is North, South, East or West, respectively. In some instances, the Section number may be stated by itself and not in conjunction with a series of dashed numbers representing the appropriate Township and Range, e.g., the description "N/2 14, SESW 21-29N-8W" means "North one-half of Section 14 and Southeast quarter of Southwest quarter of Section 21, all in Township 29 North, Range 8 West." Certain descriptions merely refer to the subdivision or survey in which the property is located in whole or in part. In such cases, the recorded Leases and any amendments thereof and any other recorded instruments affecting Mortgagor's title more particularly describe the land within such subdivision or survey in which Mortgagor owns an interest, and the descriptions contained in such instruments are incorporated herein by this reference.

SYMBOLS AND ABBREVIATIONS:

1. The abbreviation "BPO" or the term "before payout" as used herein means that the figure next to which this abbreviation appears represents Mortgagor's net income interest until such time as the operator of the well or wells situated on the described property has recovered from production from that well or those wells all costs as specified in underlying operating agreements, farmout agreements, assignments or other documents in the chain of title, usually including costs of drilling, completing and equipping a well or wells plus costs of operating the well or wells during the recoupment period.

2. The abbreviation "APO" or the term "after payout" as used herein means that the figure next to which this abbreviation appears represents Mortgagor's net income interest after the point in time when the operator of the well or wells situated on the described property has recovered from production from that well or those wells all costs as specified in underlying operating agreements, farmout agreements, assignments or other documents in the chain of title, usually including costs of drilling, completing and equipping a well or wells plus costs of operating the well or wells during the recoupment period.
